

Title: The Readiness Given by the Gospel
Text: Ephesians 6:15
Series: Living Life Loved by God

What is “The Gospel of Peace”?

It is the good news that we have peace with God

It is the good news that we have peace with each other

Context Is Key: The message here is not what we are to do with the gospel, but what the gospel must do with us... make us ready to stand!

The Gospel of Peace Prepares Us to Stand Firm Against the Schemes of the Devil (6:15)

It prepares us by giving us the confidence that *God is for us*

It prepares us by giving us the confidence that *God is with us*

It prepares us by giving us *the bond that holds us together*
